

IS IT SAFE?

Location _____

Time _____ - _____ Date _____

Hundreds of scientists & doctors have expressed grave concerns about 5G roll-outs on **HEALTH** grounds. Could 5G also pose risks to our **TREES / BEES**? Our **PRIVACY**? **PROPERTY PRICES**?

The main purpose of this event with video clips and Q&As is to inform ourselves about the looming 5G rollouts (5th generation mobile & wireless technology) as well as undisclosed **SMART METER** pollution

(Doors open _____)

Tickets £5 on the door
